# Savannah's Organic Ranch

## 1st Annual Golf Tournament

Thursday, May 22, 2008

This Year will be our 1st Annual Savannah's Organic Ranch Golf Tournament, held at the scenic Arroyo Trabuco Golf Club in Mission Viejo, to benefit our fundraising efforts to support Pediatric Cancer Research and aiding families with children battling pediatric cancer.

The mission of SOR is to educate the public on the benefits of eating and farming organically through outreach programs and the creation of organic gardens throughout the community.

We intend on making this a tournament you will never forget!

The tournament is an 18-hole golf scramble followed by dinner. There will be a festive silent & live auction.
